

IWM Celebrates 26 March 2021: Golden Jubilee of Independence

IWM celebrates the 51st Independence Day with a call for building "Sonar Bangla" as envisioned by Father of the Nation Bangabandhu Sheikh Mujibur Rahman. This year's festivities coincided with the 10-day grand celebrations of the birth centenary of Bangabandhu and the Golden Jubilee of Independence.

IWM pays glowing tribute to the martyrs who gallantly sacrificed their lives for the country during the Liberation War in 1971, by attending a rally to place floral wreath at the National Memorial at Savar, maintaining the health guidelines in face of the global pandemic Covid-19.

This year Independence Day came with an extra significance as it coincided with Father of the Nation's Birth Centenary celebrations and the Golden Jubilee of Independence.

To celebrate the Independence Day, IWM Bhaban was illuminated with decorative lightings, banner & festoons. The national flag was hoisted at IWM Bhaban to celebrate the glorious day of Independence.
